

## Advice on your Settlement Agreement

### About Torque Law

We're a leading and award-winning employment law firm with over 75 years' combined employment law experience. We're also a friendly bunch!

We've successfully negotiated and advised upon hundreds of settlement agreements for employees, including as part of large group redundancy exercises.

Our website at [www.torquelaw.co.uk](http://www.torquelaw.co.uk) has lots more information about the firm and our team. Please do take a look!

### Our commitment to you

For your Settlement Agreement to be legally binding, you're required to receive advice from an independent legal adviser on its terms and effect. That's where we come in!

We're committed to providing you with clear and practical advice to make sure that you're fully in the picture about both the financial and non-financial terms in your settlement agreement and their effect on, for example, your ability to bring employment-related claims against the company you are exiting.

Rest assured that we don't act for the company; we're an independent law firm, providing *you* with independent advice. Put simply: you're our client, not the company.

### The process

At Torque Law, we like to keep things as straightforward as possible. That's why we've put together a simple, streamlined process to quickly get you on board and provide you with the necessary advice.

If you have any questions at all on this process and/or what it means for you, please contact us either by email ([settlementagreement@torquelaw.co.uk](mailto:settlementagreement@torquelaw.co.uk)) or call **01904 437680**
